A large and valuable collection formed on the continent in seven well filled albums for Foreign Countries A to Z with many individual country lots as whole collection in their own right. Useful mint and used key singles and sets throughout (a few are slightly stuck to the page but most will lift easily), the smaller ranges for various countries are included in the balance lot of the collection. Magnificent opportunity to fill those gaps for all the earlier areas from 1850s to 1950, this collection is split into each country on printed leaves ready for you to add to your collection, enormous catalogue values and many key stamps and sets included. Unpicked as received and all different throughout. Untouched since the 1950s.
