TERMS AND CONDITIONS

BIDDING

- 1) Enter on the Postal Bid Form the maximum amount you are prepared to pay for each lot. We will buy on your behalf at the lowest possible price subject only to other bids received. **ALL BIDS MUST BE IN STERLING.**
- 2) Enter bids for every lot in which you are interested. If you wish to limit your total expenditure mark your limit on the bid form. We shall stop buying for you if and when this figure is reached.
- 3) BUY bids are not accepted to prevent misunderstanding - your limit should be the figure at which you would stop bidding in the room at the public auction.
- 4) Where two or more equal bids are received the first such bid received in our office will take precedence. Therefore please mail bids as early as possible.
- 5) Bids of unusual amounts (e.g. £6.60) are reduced to the normal level (e.g. £6) and do not take precedence over a similar bid of £6 if not received first.
- 6) **ALL BIDS ARE CONFIDENTIAL AND WILL NOT BE DISCLOSED TO THIRD PARTIES.**
- 7) Bidding increases as follows: Up to £20 in £1 steps, over £20 in £2 steps, over £100 in £5 steps, over £200 in £10 steps.
- 8) The estimates given reflect the auctioneer's opinion of current market value (bearing in mind that many lots will have been described several months prior to the sale date). The majority of lots will probably sell for within 20% above or below estimate, although some lots will go much higher. 'Low-ball' bids will be ignored.
- 9) A buyer's premium will be charged on a scale outlined in our Terms of Business.

DESCRIPTIONS

- 1) Our descriptions of the condition and quality of stamps can be relied upon to be fair and honest, but any lot found not to be as described may be returned for immediate refund or credit.
- 2) Conditions of covers: in most cases (except modern F.D.C's etc.) minor creasing and/or age-staining/tropicalisation are the norm and are not mentioned unless they are unsightly.

V.A.T.

Buyers resident in the E.E.C. or taking delivery of lots at the auction will be liable to pay V.A.T. at the standard rate on those marked with the symbol 'T' in the catalogue. Overseas buyers are exempt from paying V.A.T. if the lots are posted to an address outside the E.E.C.

DESPATCH AND PAYMENT

Lots dispatched within the U.K. and Overseas will be sent Recorded Delivery or by Registered Letter (Airmail for overseas) where the value is over £50, or by parcel for heavy lots.

Invoices and lots will be dispatched as soon as possible after the sale. However the invoicing, packing and mailing of around 600 lots does require time and buyer's tolerance is requested.

- 2.(a) The bidding and advances shall be regulated by and at the discretion of the Auctioneer.
- (b) Where an agent purchases on behalf of an undisclosed client such agent shall be personally liable for payment of the purchase price to the Auctioneer and for sale delivery of the lot to the said client.

If any purchaser fails to pay for any lot within one month from the date of Sale, such a lot may at the Auctioneer's discretion be put up for auction again or sold privately if upon a re-sale a lower price is obtained for such a lot than was obtained on the first sale, the difference in price and the expense of such re-sale shall be made good by (and debt due from) the purchaser in default upon the first sale.
5. The Auctioneer shall not be liable for any default of the Purchaser or Vendor.

NOTE: the onus of providing the lot to be not genuine or wrongly described lies with the purchaser. Proof of the ability of an Expert Committee to express a definite opinion will not discharge such onus. No refund shall be issued for the cost of the Certificate.

- (d) Lots stated to contain collections and/or undescribed stamps must be taken with all faults and errors as to numbers (if any), and by reason of the foregoing a purchaser of any such lot shall have no right to reject the same.

SPECIAL CONDITIONS

The placing of a bid will be taken as full agreement to the above conditions.
